## Festivals in Chichibu

- There are many festivals in Chichibu. It is different from my country.
- It's a good chance for me to learn Japanese culture. I enjoyed Ryusei Festival on October 9. About 17 rockets were launched\* into the sky. They contained\* people's wishes. They were wonderful! Before the launch, a speech show was played with drums. It is called Kojo (口上).
- I had a lot of fun. I also want to go to Chichibu Night Festival on December 2 and 3.
