Christmas in The Philippines

In the Philippines, we believe that Christmas is the day that Jesus Christ* was born. We call Christmas "PASKO" in Tagalog*. Christmas is one of the most important events for us.

I will tell you more about Christmas traditions in my country. When the first 'BER' month begins (September is the first 'BER' month), the malls start playing Christmas songs and selling Christmas goods. We enjoy Christmas for four months! In Japan, we can see them from December. We have the Christmas party every week in December. One more exciting tradition is the "Caroling". We visit neighbors and sing Christmas songs. We receive coins there.

How do you spend your Christmas in Japan? What do you want for Christmas? Have a good winter holidays! See you next year!
