## Happy New Year!

I enjoy New Year in Japan. I visit Chichibu shrine every year. I also like New Year in the Philippines. My family gets together on New Year's Eve. We cook special foods and enjoy fireworks. We put many kinds of round shape fruits on the table. Filipino children jump high at 12:00 midnight\*. During New Year, many people wear polka dot\* dresses. These are popular customs in the Philippines to become happier. We put coins at every corner of the house and children pick them up. It is like "otoshi-dama" in Japan. I hope you can come to the Philippines in New Year.

※midnight 「真夜中の」  
polka dot 「水玉模様」
