MY LIFE IN JAPAN

<マックスはトルクメニスタンと比較しながら日本での生活について説明しています。>【読むこと】

I've been in Japan for about a year and half. There are many things really
*amazed me here.

Firstly, Japanese food is very *rich and diverse. Each *prefecture has its
own cuisine (料理(法)). In Turkmenistan, our food is nice too, but Japanese
dishes are so delicious.

Secondly, I have surprised trains are always right *on time. Getting
around is so easy and quick. This is a big plus of living here.

Lastly, I really like winter and snowboarding. We don't have ski resorts in
Turkmenistan because Turkmenistan is very hot country. So, I hope I get a
chance to go to ski resort and try to ski this time. I like my life in Japan.

*amazed 「驚いた」 rich and diverse 「豊富で多様な」 prefecture 「県」
on time 「時間どおりに」
